# NFTY Convention 2017 Special Report | URJ Youth

**Touro Synagogue**

**They loved NFTY Convention. Now what?**

This report shows the teens from your congregation who attended NFTY Convention 2017 and which URJ Youth program(s) they are registered for this summer.

**There are many ways you can work with your teens to help them extend their Convention experience!**

Over four days at NFTY Convention, teens selected a social justice topic to learn more about and identified new ways to get involved. NFTY also launched a Racial Justice Campaign. Here are a few ways you can support them in bringing this experience home:

- Invite them to speak from the *bimah*
- Create space for them to share their stories with younger teens
- Share resources on NFTY's social justice issues

Check out resources, photos and videos from NFTY Convention to learn more.

**What's Next?**

Know a great teen leader? Have a world-changer in your midst? **There's a URJ summer program for each of them**. Check out the programs below and speak with these teens about which program is right for them.
