

## They loved NFTY Convention. Now what?

This report shows the teens from your congregation who attended NFTY Convention 2017 and which URJ Youth program(s) they are registered for this summer.

## There are many ways you can work with your teens to help them extend their Convention experience!

Over four days at NFTY Convention, teens selected a social justice topic to learn more about and identified new ways to get involved. NFTY also launched a [Racial Justice Campaign](#). Here are a few ways you can support them in bringing this experience home:

- Invite them to speak from the *bimah*
- Create space for them to share their stories with younger teens
- Share resources on NFTY’s social justice issues

[Check out resources, photos and videos from NFTY Convention to learn more.](#)

## What’s Next?

Know a great teen leader? Have a world-changer in your midst? **There’s a URJ summer program for each of them.** Check out the programs below and speak with these teens about which program is right for them.
