

# Make a difference wherever you go!

## Urban Mitzvah Corps

Grades 11 – 12 • 3 weeks, 6 weeks

Our three and six week Urban Mitzvah Corps programs offer exciting social justice opportunities in and around New Brunswick, NJ. Take advantage of our longstanding relationships with local organizations through service projects and volunteer efforts. Become involved with Hurricane Sandy relief work in the New York/New Jersey area. Six week participants will also travel for a memorable weekend to the Religious Action Center of Reform Judaism, to learn how to translate social awareness and passions into direct political action.

## Mitzvah Corps of the South

Grades 10 – 12 • 2 weeks

Create lasting relationships while exploring the historic city of New Orleans and working on Gulf Coast relief. Help rebuild homes and schools, and work alongside local grassroots organizations as you become immersed in this culturally dynamic region. Participants will also travel around the Deep South, discovering the roles played by Jews during the civil rights movement in the 1950s and 60s.

## Mitzvah Corps Costa Rica

Grades 10 – 12 • 10 days

Spend 9 days exploring the Costa Rican landscape while engaging in fulfilling service learning projects and volunteer efforts throughout the country. Discover the challenges of rural development and local communities' efforts to conserve the rainforest. Spend Shabbat immersed within the Jewish community of San Jose! Create lasting friendships through impactful experiences in an exciting and unique setting!

## Mitzvah Corps Nicaragua

Grades 10 – 12 • 10 days

You will be captivated by the beautiful historic village of El Castillo, situated alongside the San Juan River. Help to restore roads and educational facilities in tandem with the AJAA, a local youth organization which advocates for a progressive approach to environmental conservation and sustainable development in the region. Meet with representatives of both the current and former ruling political parties, learning what role we can play in supporting the economic and structural growth of communities like El Castillo. Mitzvah Corps Nicaragua offers an authentic opportunity to pursue adventure, advocacy and relationship building.

## Mitzvah Corps at URJ Kutz Camp

Grades 10 – 12 • 4 weeks

This unique Mitzvah Corps experience is an exceptional opportunity for you to work with Jewish teens with Autism Spectrum Disorders (ASD) who attend the URJ Kutz Camp for a Jewish camping experience. As a *Chaver*, friend, you will receive special training in working with special needs populations and peer inclusion, and have the opportunity to make a real difference in the lives of Jewish teens with ASD.
